Occupation

THE EFFECT OF THE RECOVERY OF INCOME TAX ON SUBSCRIPTIONS AND DONATIONS.

years or during his life-time, then as Income Tax is now at the rate of 10/- in the £ the Hospital would be enabled to recover from the Inland Revenue an equivalent amount to that subscribed.

EXAMPLE.

COLUMN 1.—After completing the agreement form, the Subscriber sends a cheque for £1 1s. 0d.

COLUMN 2.—The Hospital recovers the income tax from the Inland Revenue Authorities (£1 1s. 0d.).

COLUMN 3.—The contributor appears as a subscriber of £2 2s. 0d. (with income tax at 10/- in the £). The contributor can deduct £2 2s. 0d. from his return for surtax, and so on in proportion.

Amount payable by the Subscriber.	Gross amount which the Subscriber should treat as a deduction from his income for taxation purposes.	Amount receivable by the Hospital calculating Tax at 10/- in the £
£1 1 0	£2 2 0	£2 2 0
£2 2 0	£4 4 0	£4 4 0
£3 3 0	£6 6 0	£6 6 0
£5 5 0	£10 10 0	£10 10 0
£10 10 0	£21 0 0	£21 0 0
£21 0 0	£42 0 0	£42 0 0
£50 0 0	£100 0 0	£100 0 0

The amount payable by the Subscriber in the first column as above should be inserted in the blank space in the Covenant on the opposite page.

Will you please complete the attached Covenant and forward to the Superintendent, together with the appropriate cheque, who will then arrange for the stamping of the Covenant.

BOOTLE GENERAL HOSPITAL

96th ANNUAL REPORT of the GENERAL COMMITTEE

The General Committee has the pleasure to present the ninety-sixth Annual Report of the Hospital and the Statement of Accounts for the year ended 31st December, 1942.

TRUSTEES.

A Trusteeship of the Hospital, which had remained vacant since the death of the late Mr. James Blackledge, J.P., has now been filled by the appointment of Mr. J. G. Blackledge, O.B.E., J.P. The Committee are happy to record this continuance of a long-standing family association.

COMMITTEE.

It is pleasing to be able to record that Mr. J. H. Scott, J.P., was unanimously elected and accepted the position of Vice-Chairman. A welcome is extended to Councillor M. S. Webster, J.P., as a new representative of the Bootle Corporation.

STAFF.

The year has been one of maintaining the Hospital Services under increasingly difficult conditions due to calling up of staff and replacing those who go.

In the place of Mr. A. Tumarkin, Honorary Visiting Aurist, we were fortunate in securing the services of Mr. W. E. Hunter to maintain the work of the department.

The following members of the Honorary Medical Staff are now serving with the Colours and it is hoped will have a safe and speedy return:—Dr. Donald Owen, Dr. R. W. Gemmell, Dr. John Duncan Hay, Mr. A. Tumarkin.

Your Committee again extends to the Honorary Medical Staff its best thanks for their services, which have been given in increasingly arduous circumstances.

EMERGENCY MEDICAL SERVICES.

In contrast with the previous year when the resources of the Hospital were heavily taxed with air raid casualties, no new patients in this category were received in 1942. This freedom from raids has enabled the work of partial reinstatement of the damaged premises at Derby Road to be carried out.

AMBULANCES.

The servicing and maintenance of the three ambulances was transferred from the National Fire Service to the Civil Defence Authorities and the new arrangement is working well.

EQUIPMENT.

In spite of war difficulties, improvement in the hospital has been effected. A new calender was installed in the Laundry, while an order was placed for the complete re-equipment of the X-Ray Department, at a cost of £2,500.

An appeal, which was made privately to certain friends of the Hospital, met with such a generous response that the required sum was speedily obtained and a reserve created to meet future liabilities of the department. A list of the contributions is published elsewhere in the report.

TEMPORARY NURSES' HOME.

Owing to increasing educational demands, it has been necessary to vacate that part of Robert Council School which was occupied as a Nurses' Home. The Ministry of Health erected new buildings in the grounds of Linacre Hospital, and these will be occupied early in the New Year. This will be a great convenience to both Nursing Staff and the Hospital.

BRITISH HOSPITALS ASSOCIATION.

The British Hospitals Association has again been most active and has conducted negotiations with the Ministry of Health on behalf of all Voluntary Hospitals.

The re-organisation of the Association has revitalised its provincial areas. The large and unwieldy North West Region was divided into small areas, and from this the Merseyside Area emerged. Representatives from all Voluntary Hospitals in the district have met quarterly to their mutual advantage.

INCOME AND EXPENDITURE.

Ordinary Income shows an increase of £3,521 over 1941, and is particularly welcome as this is entirely due to Voluntary Gifts including Central Funds. The Committee gratefully acknowledges the financial benefit which has resulted from full association with the Merseyside Hospitals Council.

On the other hand Expenditure has increased by £1,334. Both Provisions and Salaries show a rise of 10 per cent., which is not unreasonable. Domestic expenditure is higher by £1,027, but this is due entirely to the difficulty of obtaining accounts for water, gas and electricity in the previous year; consequently, there are as many as 6 and 7 quarters' payments in 1942.

Including Extraordinary Income and Expenditure, there is a surplus of £5,571, but of this sum £3,509 is due to profit on realisation of investments requisitioned by the Government. It must be remembered that the year's surplus reduces previously accumulated deficits of £11,121, but still leaves this liability at £5,549. It is hoped that every effort will be made in the coming year to reduce this amount still further.

IN-PATIENTS.

	1942.	1941.
No. of new In-Patients ...	1,305	1,428
Daily Average of In-Patients...	76.5	78.7
Average stay of each In-Patient	21.3 days.	18.2 days.
Average cost of each In-Patient per week	£4/19/2	£5/2/9

OUT-PATIENTS.

	1942.	1941.
No. of New Out-Patients ...	21,844	22,270
No. of Attendances	65,594	69,010
Cost per Out-Patient	7/10½	7/2¼
Cost per Out-Patient Attendance	2/7½	2/4

The number of in-patients admitted shows a decrease on the preceding year, but each patient spent a longer time in hospital. In spite of this, the average cost per in-patient per week is slightly less.

Although the *total* number of new out-patients and the attendances they made is smaller, a detailed analysis reveals that the Specialist Clinics have more than maintained their work in spite of staff difficulties. The decrease is due to a large decline in patients attending the re-dressing department. As the result of closer supervision, war workers have returned to their occupations at the earliest possible moment consistent with safety and efficiency. This is particularly important in the case of employees in the ship-repairing industry and those employed on the Dock Estate.

LEGACIES.

Your Committee expresses its gratitude for the following legacies:—

From the late Mrs. E. K. M. Fraser £1,000 to endow a bed in the Children's Ward in Memory of her Daughter. The bed will be known as the "Heather Fraser Bed."

From the late William Henry Harrington £300.

LADIES' COMMITTEE AND LINEN LEAGUE.

The Ladies' Committee and Linen League are to be congratulated on their record year in giving to the hospital £376 to purchase linen and also to provide Surgical Appliances and Convalescent Home Treatment for necessitous patients. Your Committee expresses its warmest thanks to the ladies for this fine effort. A full report of their activities appears on page 10.

ALEXANDRA ROSE DAY.

We also extend our sincere thanks to the Alexandra Rose Day Committee and ladies for maintaining their support under most difficult conditions. This year £416 was given to the Hospital.

INCOME TAX AND ANNUAL SUBSCRIPTIONS.

It is gratifying that 27 Annual Subscribers now take advantage of the scheme whereby the Hospital can reclaim the income tax the subscriber pays on his Annual Subscription. This benefits the hospital by £57 per annum without extra cost to the subscribers. Details of the scheme are shown opposite page 2, and it is hoped that more of our supporters will adopt the suggestion.

THANKS.

The Committee extends its grateful thanks to all its supporters, and particularly to the friends who have in so many ways assisted in the strenuous work that is carried on at the Hospital.

Once again they thank Mrs. Chas. Barnes, M.B.E., J.P., for her collection of Silver Paper and for her contribution of fees she received for services rendered to the Assistance Board.

They are grateful to the Chairmen and members of the several Sub-Committees for their continued services in the work of the Hospital.

They particularly thank the Matron and her Nursing Staff for the very devoted and unselfish work they have given to the Hospital, and it is desired to place on record their appreciation of the services of Mr. A. J. Cooper, the Superintendent.

On behalf of the General Committee,

J. STANLEY WEBSTER,

Chairman.

REPORT OF THE MEDICAL BOARD.

During the past year difficulties in the work of the Hospital consequent on the war have increased.

Among these have been the calling up for War Service are two further members of the Honorary Medical Staff, namely, Mr. A. Tumarkin and Dr. John Duncan Hay.

We have been fortunate in securing the services of Mr. W. E. Hunter to carry on Mr. Tumarkin's work in the Aural Department, while Dr. Wills has very generously undertaken to carry on the entire medical work of the Hospital until assistance can be obtained.

The Resident Medical Staff has been reduced by one member, on the direction of the Ministry of Health, owing to the shortage of medical personnel now present in civilian occupations.

The Dental Clinic has now been re-named "The Oral and Dental Clinic," and Mr. Fairhurst is designated as the "Oral and Dental Surgeon." This change in name is due to the highly specialised work undertaken in the Department.

The Laboratory, as re-organised, has proved of great benefit to the Hospital.

The Board wish to register their appreciation of the Nursing Staff on their co-operation during the past year.

W. S. DIGGLE,

Chairman.

LADIES' COMMITTEE AND LINEN LEAGUE REPORTS.

In spite of wartime restrictions, a record sum has been given to the Hospital, £276 1s. 6d. from the Linen League for Linen and Bedding, and £100 from the Ladies' Committee for Surgical Appliances and Convalescent Home Treatment for necessitous patients.

The Christmas Appeal realised £62 17s. 6d., and although good, was not so successful as in the previous year.

A Bring and Buy Sale was organised in June and was a great success, realising a net amount of £181 1s. 6d. Our thanks are due to Mrs. A. N. Moore, who kindly allowed us to use her gardens and house at "Tithebarn," Warren Road, Blundellsands, for the occasion, and to our members who so energetically helped.

Several Card Afternoons were held during the year, and our thanks are due to Mrs. J. S. Riley and the Bootle Corporation for placing at our disposal the Town Hall.

We wish to thank Matron for her help, and particularly for her very efficient catering.

The active support accorded to the Linen League from our members varies a good deal. Our great need is for more active interest, and we do appeal to those members of the Ladies' Committee who have not yet taken an active part to come forward and enrol as many new members to the Linen League as possible, and to those who already help, we ask them to redouble their efforts. Membership Subscription is 2s. 6d. per year, and associateship costs 1/- per year. The amounts that various members of the Ladies' Committee have collected by this means is shown elsewhere. It is essential the Linen League is built on as broad a basis as possible, and we cannot have too many members.

We are glad to welcome the following new members to the Ladies' Committee:—Mrs. W. E. Collins, Mrs. Darroch, Miss Darroch, Mrs. Milward.

Mr. Hort, in spite of many additional calls on his time, has maintained his long association with us by once again auditing our accounts, and for this we thank him.

(Mrs.) E. ROSS,
*Vice-Chairman, Ladies' Committee, and
Hon. Treasurer, Linen League.*

(Mrs.) BARBARA GARRICK,
Hon. Secretary, Ladies' Committee.

ALMONER'S REPORT.

After-care work during 1942 has consisted mainly of arranging of convalescence and the supply of surgical appliance. Forty-four patients have been sent to Convalescent Homes, and 105 supplied with surgical appliance. Other patients have needed help to obtain extra nourishment and priority allowances of milk, eggs and diabetic rations. Others again have needed assistance with fares in order to enable them to get to the Hospital, while in the case of those patients who did not need to attend Hospital very frequently, and only needed dressings, arrangements were made for the District Nurse to call. A number of patients do not fall into any of these categories, and perhaps details of some of these cases would be of interest.

G.M. was a Canadian seaman who came to the Out-Patient Department suffering from gastric trouble. It was found that he had come to this country on a Norwegian vessel, and had very little money as he had been paid off his ship. in which he had only been a mess-room boy. He had no money to pay for lodgings, and had been having food from one or two dockers during the few days he had been in the country. The Hon. Physician, on hearing the details, arranged for him to be admitted to Hospital for the necessary investigations, but after ten days he left the ward. In the meantime, enquiries had been made from the Mersey Mission, who had advised that the best method of assistance was to apply to the Canadian Trade Commissioner, and, if he was prepared to vouch for the patient, work could be obtained through the Labour Exchange. Fortunately, this seaman was very much better on his discharge from Hospital, and is now employed at a local engineering firm.

J.L. is a little girl suffering from infantile paralysis, who has been attending the Hospital for a very long time. Several attempts were made to get her evacuated, but proved unsuccessful as she was under seven, and it was difficult to get her billeted as she was wearing leg irons on both legs. Application was eventually made to the Child Welfare Association, who very kindly arranged for her to have a vacancy for the duration of the war at one of their Convalescent Homes, although this Home is not for long term cases. The usual billeting grant was obtained from the Corporation, and the balance of the cost was met by

an application to the British War Relief Society of America, one of whose Committees is particularly interested in invalid children from bombed areas.

A.A. was an old lady of seventy who was admitted to Hospital following a motor accident. She lived alone, and on her discharge it was felt that it would not be wise for her to go back to the one room in which she lived. She was therefore sent to the Friend's Convalescent Home at Southport, and they kept her, charging only the small amount which she was able to pay out of her pension. Finally she decided that she would like to go and live permanently at one of their Homes for Aged Folk. This patient was also referred to the Poor Man's Lawyer, who gave her advice regarding her claim for damages following her motor accident.

J.T. was a merchant seaman who attended the Out-Patient Department for an injury to the arm. It was found that he had been attending another hospital for an illness which prevented him from working, and it was unlikely that he would be able to return to sea again. There were three children dependent, and one other in the Forces. His financial circumstances were difficult, and he was referred to the Soldiers', Sailors' and Air-men's Families Association, who made a grant as temporary help, and applied to the Army Authorities for a weekly allowance through the son who was in the Forces.

The demand for the services of the Department steadily increases with the many problems caused by war-time circumstances.

O. M. EVANS, *Almoner.*

SUBSCRIPTIONS AND DONATIONS.

The Superintendent would be glad to be informed of any inadvertent errors in this List.

EXTRACT FROM RULE 8.—All Subscriptions shall be due in advance on the First of January in each year.

AUDITORS' REPORT.

We report that we have examined the Accounts of the Bootle General Hospital for the Year ended 31st December, 1942. We have verified a proportion of the payments, and have obtained all the information and explanations we have required. In our opinion, the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Hospital, according to the best of our information and the explanations given to us, and as shown by the books.

LIVERPOOL, 25th February, 1943.
